my dear Sir,

Mr. Reddy and Mr. Kenham
have arranged to give the head-
-master's place of the Marimallappa's
High School to Mr. Srinivasa Rao
of the Training College. He is a young
man, in no way equal to any
of the experienced teachers of
The Marimallappa's High School.

I was asked to resign my
appointment. The following is
the letter I addressed to the
Secretary of the School. I write
this to show how Mr. Reddy is
working.
